

HP Photosmart Premium All-in-One Printer

Print how you want, when you want – wirelessly¹, from your iPhone™² and even directly from Snapfish.com³ – with this versatile all-in-one. View, edit and print photos – scan and copy too – via the large HP TouchSmart screen.

The HP Photosmart Premium All-in-One is designed for busy home users looking for versatile all-in-one with a range of connectivity options – including wireless, Ethernet and Bluetooth® – and the ease of use of a large HP TouchSmart screen.

Enjoy a superior HP TouchSmart experience – view, edit, print photos without a PC.

Discover how easy it is to edit and print photos with the HP TouchSmart screen. Pop in a memory card then select, adjust, add creative effects and print, all via the large touchscreen. Scan and copy too – intuitive controls mean it's all right there at your fingertips. You can even upload to and print photos from Snapfish.com, directly from the HP TouchSmart screen, without turning on your PC⁶. Print templates and games including Sudoku by touching Quick Forms on the TouchSmart screen.

Enjoy complete connectivity with wireless networking⁴, iPhone™ printing⁵ and more.

Print whichever way is most convenient with a full choice of connectivity options. Share the performance between multiple notebooks and PCs using built-in wireless networking⁴ and easy, one-touch set-up⁷, or connect via Ethernet for a secure wired connection. Enjoy easy photo printing direct from your Bluetooth®-enabled devices including camera phones and PDAs, or print directly from your iPhone™ or iPod touch™⁵. You can even print scores from your PS3™⁸.

Save paper, energy and money with resource conserving printing.

Save up to 50% on paper costs with automatic two-sided printing. Enjoy more efficient web printing – and fewer wasted pages – with HP Smart Web Printing⁹: combine text and photos from multiple pages or sites onto a single page. Keep control of your energy costs too – and help to protect the environment – with this ENERGY STAR® qualified all-in-one. Get up to 3x more black printed pages and 2.5x more colour printed pages with optional high-capacity replacement ink cartridges¹⁰.

¹ Wireless performance is dependent upon physical environment and distance from access point

² Using HP iPrint Photo software; free download available from Apple's App Store, details at www.hp.com/go/iPrintphoto

³ Requires a Snapfish.com account (availability varies by country) and an internet connection to the printer.

⁴ Wireless performance is dependent upon physical environment and distance from access point

⁵ Using HP iPrint Photo software; free download available from Apple's App Store, details at www.hp.com/go/iPrintphoto

⁶ Requires a Snapfish.com account and an internet connection to the printer

⁷ Requires a WPS router with an integrated push-button; wireless performance is dependent upon physical environment and distance from access point

⁸ Printing screen captures is only available on games that support this feature

⁹ Requires Microsoft Internet Explorer 6.0 – 8.0

¹⁰ Compared with HP 364 Black/Colour Ink Cartridges; high-capacity cartridges not included, sold separately.

Technical specifications
